

Public Notice
Proposed Issuance of a Construction Permit to
Archer Daniels Midland Company in Peoria

Archer Daniels Midland Company has applied for a construction permit from the Illinois Environmental Protection Agency (Illinois EPA) to install a new natural gas fired boiler at its facility located at One Edmund Street in Peoria. The project is not a major modification as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21. **The Illinois EPA is accepting comments prior to making a final decision on this project.**

Persons wanting more information may obtain copies of the draft permit and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New). These documents and the application can also be obtained from the Illinois EPA's offices at 5415 N. University Street, Peoria, 309/693-5461 and 1340 North Ninth St., Springfield, 217/782-7027 (for either location please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

The Illinois EPA is accepting comments prior to making a final decision on this project. **Comments must be postmarked by midnight December 11, 2004.** If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
